

BRISTOL AND DISTRICT LADY GOLFERS' ALLIANCE

Office	Name	Proposer	Seconders
The Rules Co-ordinator Representative	Fay Austen	Heather Priestley	Stephanie Moorfoot

Fay has been a member of Chipping Sodbury Golf Club for 15 years and before that at The Kendleshire.

She has regularly represented the Alliance in matches, previously served as Alliance Captain and now supports the team as an unofficial Vice Captain. A keen competitive golfer, she frequently enters the handicap foursomes and other Gloucestershire County events.

With her children now at university, she has the time and energy to serve as Results Co-ordinator, while her technical career has given her strong skills in managing data and spreadsheets.

Fay is looking forward to getting fully involved and hopes she is able to both fulfil the role, and also contribute to the broader responsibilities of the committee.
